2. Proposed loan of Donald Graham's portrait of Robert Mirabal (A)

Christy Coleman, Executive Director of the Taos Art Museum at The Fechin House has requested to borrow Donald Graham's portrait of Robert Mirabal from the Harwood Museum for the upcoming exhibition *Taos Icons: Large-Scale Portraits by Donald Graham*.

The work, a black and white framed photograph is 61.5" tall x 49.25" wide x 1-3/4" deep.

The requested loan period is from September 3 - November 5, 2026 to accommodate installation and deinstallation. The exhibition will be on view in the Fechin Studio from September 12-November 1, 2026.

"Taos Icons will present a focused selection of Graham's large-scale photographic portraits, emphasizing the scale and directness of his approach. The portrait of Robert Mirabal would be a particularly fitting inclusion, pairing a strong example of Graham's portraiture with a Taos Pueblo artist whose work holds particular relevance for audiences in Taos"

The Collections Committee has voted to recommend the loan of the work to the Taos Art Museum.

We need the approval of the board to allow this loan to proceed.
